- Hightension line
- Transformer, Pylon
- Local Electric pole
- Telephone cabinet
- Telephone exchange
- Telephone pole
- Water tank, Well, Spring
- Tap, Dam

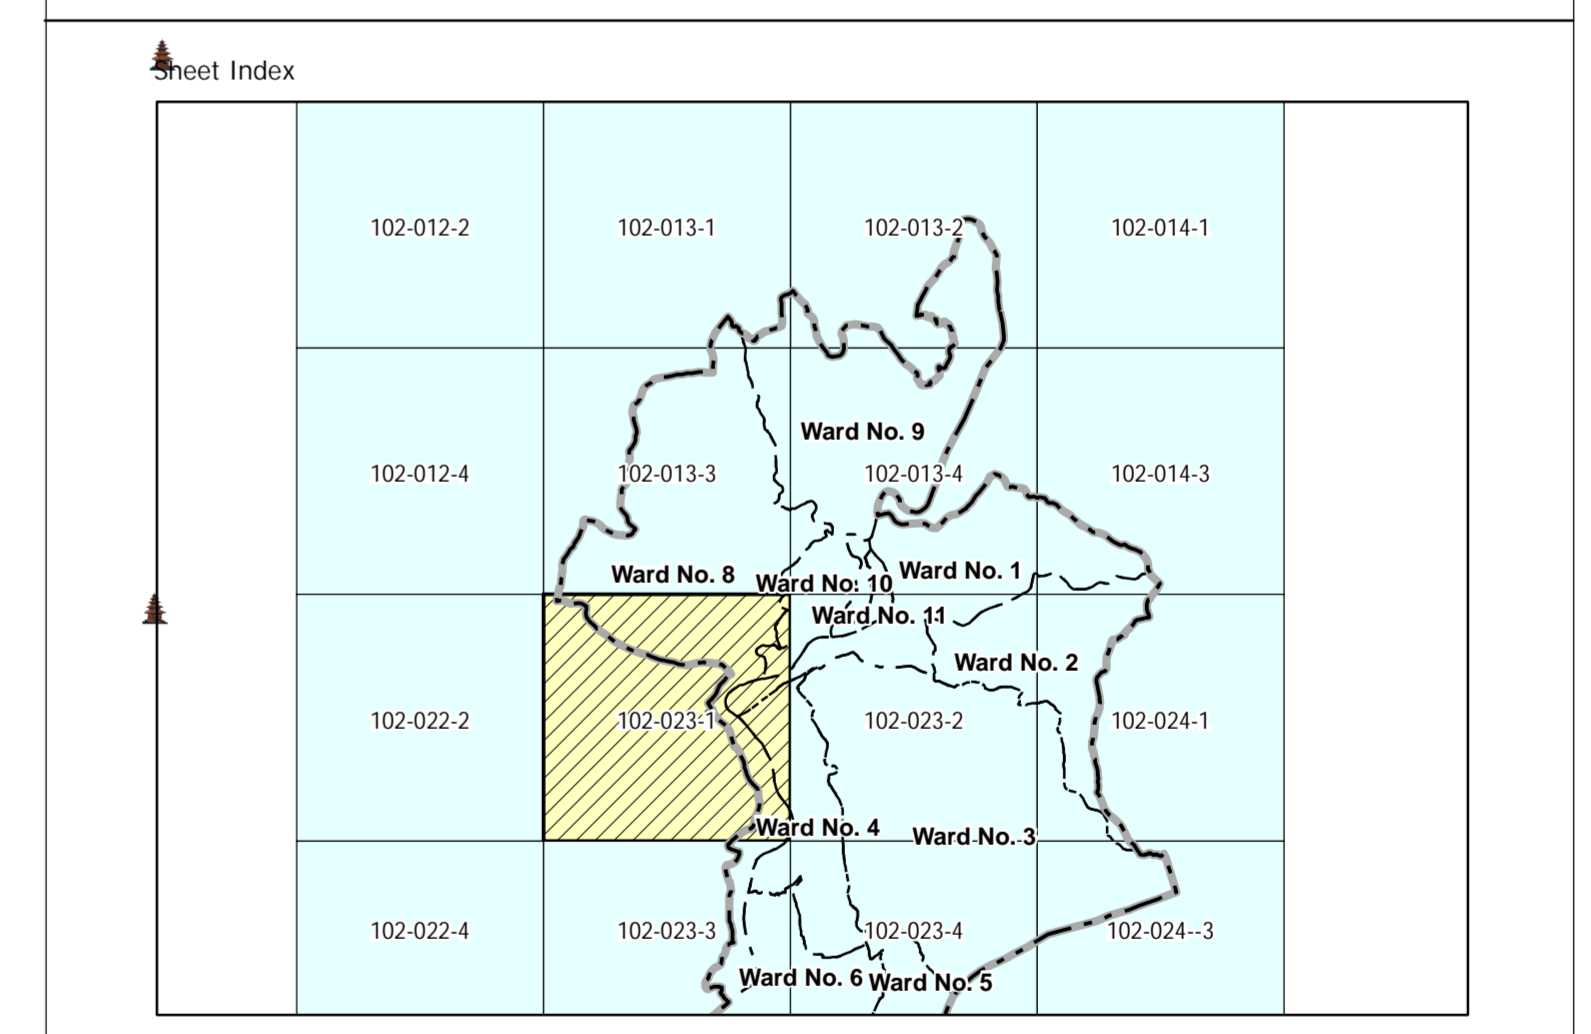

Horizontal Datum

Spheriod : Everest 1830
 Projection : Modified Universal Transverse Mercator
 Origin : Longitude 84° East, Latitude 0° North
 False Co-ordinates of Origin : 500 000 m Easting
 Scale Factor at Central Meridian : 0.9999

Scale 1:5000

Metres 0 50 100 200 300 400 500 Metres

Contour interval 20 meters

Map History

This base map has been prepared from 1:15,000 scale aerial photographs of 1999 and updated from field verification in November 2007-January 2008. Ground verification has been carried out for the collection of geographical names, place names, government/private institutions, government/private buildings etc. Utility infrastructures such as electricity, telephone, sewerage and water supply were incorporated from information collected from concerned authorities and field data.

The map and associated data are owned by DUDBC/UEIP and Bidur Municipality. Unauthorized publication and use is liable to penalty.

Government of Nepal
 Ministry of Physical Planning and Works
 Department of Urban Development and Building Construction
 Urban and Environmental Improvement Project

Bidur Municipality
 Project Implementation Unit
 Bidur, Nuwakot
